MADE IN USA

Ever since we started producing sound conditioners over 50 years ago, we've heard hundreds of suggestions for sounds our customers wanted available, as well as comments about their favorite sounds. The DS-600A is a composite of these requests. If you're looking for a solid sleep and relaxation solution featuring only the most popular sounds, this is the Marpac sound conditioner for you.

masks office chatter –
keeps conversations
confidential

helps travelers feel
at home, sweet home

helps shift workers
sleep while the world
is awake

is like a lullaby for babies
(and their parents)
